

All searched results plugin

Plugin Information

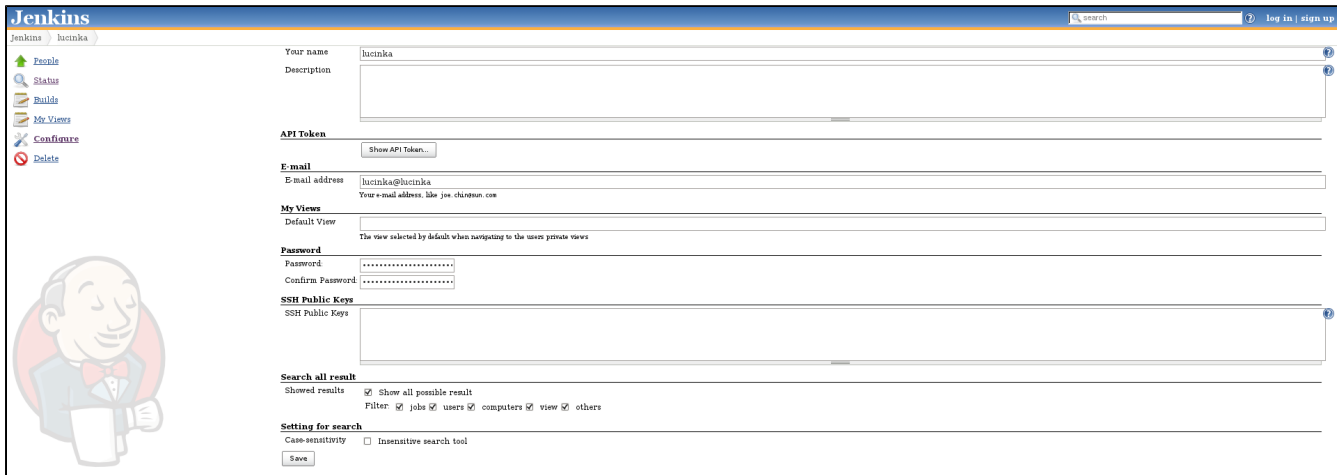

View Search all results [on the plugin site](#) for more information.

This plugin enables to show all searched results (not only suggestion) and categorization.

Setting

It is necessary to set All search result plugin in user configure page. There can be set filter too.

There are five categorization - jobs, users, computers, views and others.

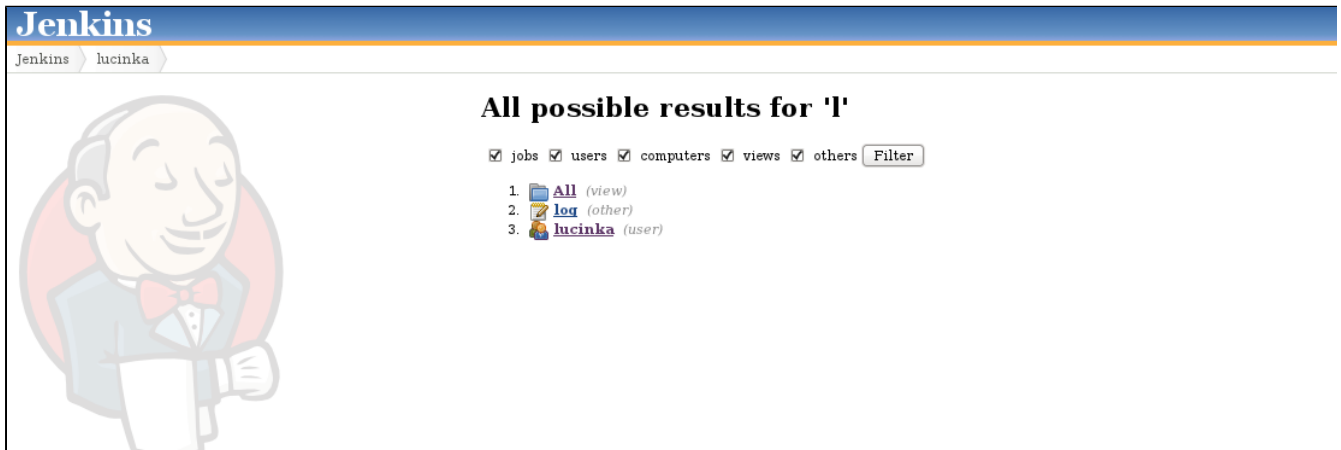

The screenshot shows the Jenkins user configuration page for the user 'lucinka'. The page includes a sidebar with navigation links: People, Status, Build, My Views, Configure, and Delete. The main content area contains the following fields and sections:

- Your name:** lucinka
- Description:** (empty text area)
- API Token:** (empty text area with a 'Show API Token...' button)
- E-mail:**
 - E-mail address:** lucinka@lucinka
 - Your e-mail address, like joe.champion.com:** (empty text area)
- My Views:**
 - Default View:** (empty text area)
 - The view selected by default when navigating to the users private views
- Password:**
 - Password:** (password field)
 - Confirm Password:** (password field)
- SSH Public Keys:** (empty text area)
- Search all result:**
 - Showed results:** Show all possible result
 - Filter:** jobs users computers view others
- Setting for search:**
 - Case-sensitivity:** Insensitive search tool

A 'Save' button is located at the bottom of the configuration form.

Result of search

The results are categorized and filtered by filter in user settings. This filter can be changed for one search (it do not change general setting of filter, new filter is used only once).

The screenshot shows the Jenkins search results page for the query 'l'. The page header includes the Jenkins logo and the user name 'lucinka'. The main content area displays the following information:

- All possible results for 'l'**
- Filter:** jobs users computers views others
- Results:**
 1. [All](#) (view)
 2. [log](#) (other)
 3. [lucinka](#) (user)

A large cartoon illustration of a man in a tuxedo is visible on the left side of the page.
