

JSWidgets Plugin

Allows embedding various statistics available from Jenkins in your via javascript-snippets ala ohloh.net.

Plugin Information

View Javascript Widgets [on the plugin site](#) for more information.

With this plugin, you can integrate the output of some Jenkins statistics to external sites by including either a `javascript` snippet, an open social gadget or using an `iframe`.

For examples follow the **JS Widgets** link at <http://huschteguzzel.de/hudson/job/jenkinsci-jswidgets-plugin/jswidgets/>

Changelog

Version 1.11-SNAPSHOT (Not released)

Version 1.10 (Apr 27 2013)

- Ported to latest LTS (1.480.3)
- Fix for wrong URLs in JSWidgets which would show the servlet container's URL even if the proxy url was configured in Jenkins.
- Switched to Jacoco for coverage.

Version 1.9 (Jun 15 2012)

- Strip trailing slash as this will not work anymore.
- Add open social gadgets via e.g. <http://huschteguzzel.de/hudson/job/jenkinsci-jswidgets-plugin/jswidgets/health-gadget.xml>

Version 1.8 (Feb 15 2011)

- Fixes [JENKINS-4889](#). For Maven2 builds the RunListeners seem to be invoked multiple times.

Version 1.7, Version 1.6 (Feb 04 2011)

- Rename references from Hudson to Jenkins.

Version 1.5 (Dec 05 2010)

- Fix recurring JSWidgets buttons in Maven2 builds, better fix for [JENKINS-6164](#).
- Introduce parameter `skipDescription`, which will skip writing the description of a job, so using the `script` output is possible in the description of a job as well.

Version 1.4 (Apr 05 2010)

- Fix for [JENKINS-6164](#): JSWidgets badge is lost with newer versions of Jenkins.

Version 1.3 (Dec 16 2009)

- Fixes [JENKINS-5106](#) Apostroph should be quoted
- Use released checkstyle-plugin 2.4
- Do not use empty tag for `script`, as this will break sometimes.

Version 1.2 (Nov 21 2009)

- Include version 1.124 of stapler as provided by war with scope provided, otherwise a great number of dependant jars are included in the hpi.

Version 1.1 (Nov 21 2009)

- Fixes [JENKINS-4889](#).
- Updates to newest dependency versions and parent.

Version 1.0 (Oct 19 2009)

- First version.
